BushwickBK.com: http://www.3jane.com/
BushwickBK.com: correct link?
me: oh, what the fuck
me: no, that's something else
BushwickBK.com: hm
BushwickBK.com: that's kind of trrible then
me: pieces of shit
BushwickBK.com: what's the deal?
me: name comes from Neuromancer
BushwickBK.com: aha
me: old cyberpunk book
me: it should have been saved for something more cyberpunkish than someone's failed marketing firm
me: meh, I'll still use it
me: we have Google bomb capabilities
BushwickBK.com: ok
BushwickBK.com: that's true
me: should I smoke some weed, you think?
me: before I write this announcement piece for HuffPo, etc?
BushwickBK.com: works fo Justin
me: I need input. Now living in close proximity with my old friend/entertainment lawyer/Arab princess and she's not here to advise me
me: very well
me: Okay, fuck
me: 3Jane is also taken by a software company
BushwickBK.com: quickly tell me a new name then
BushwickBK.com: or I can just nix it
me: ah, nevermind
BushwickBK.com: the name I mean
me: okay
me: go with "the project" instead
me: thanks
me: sorry for confusion
BushwickBK.com: Project 3Jane is intended to...
BushwickBK.com: Have to intro it differently
BushwickBK.com: A project I am helping develop.. or something like that
me: one sec

me: fuck it, go with Project 3Jane
BushwickBK.com: haha ok
me: it's only until we name the network and software anyway
me: sorry, I did end up smoking that weed
BushwickBK.com: I can't believ eit
me: I know
me: you know Matthew Cowherd?
me: guy running this anti-Democratic establishment thing in BK?
BushwickBK.com: yes
me: just e-mailed me, is he competent, reliable? I'm assuming so?
BushwickBK.com: yes, good guy
BushwickBK.com: organized, intelligent
BushwickBK.com: not a dem drone
me: I believe you've covered his work on that?
BushwickBK.com: yes
BushwickBK.com: also met with him once to chat
BushwickBK.com: totally real-world non-idealogue
BushwickBK.com: simply seeks to unravel the dem machine a bit
me: that's admirable
BushwickBK.com: which is a fine and achievable goal
BushwickBK.com: told me on an unrelaed note that zoning is tupid and "this" (Bushwick) should all be skyscrapers like Tokyo
BushwickBK.com: haha
me: that would be cooler
